Aims and Objectives

Objectives

Roundwood Primary School Anti-Bullying Policy outlines what we will do to prevent and tackle bullying. This policy has been drawn up with involvement of the whole school community.

Our anti-bullying policy aims to:

- Promote respect and tolerance for each other, including and engaging with everyone's perception of bullying
- Provide a secure, stimulating, positive and mutually respectful and inclusive environment for learning
- Clarify for pupils and staff what bullying is and that it is always unacceptable
- Explain to staff, pupils and the whole school community why bullying and harassment occur and their impact on individuals and the school as a whole
- To have in place an anti-bullying support system, that all staff and pupils understand and to apply the system consistently

Our school community

- Will discuss, monitor and review our anti-bullying policy on a regular basis
- Will support staff to promote positive relationships and identify and tackle bullying appropriately
- Will ensure that pupils are aware that all bullying concerns will be dealt with sensitively and effectively; that pupils feel safe to learn; and that pupils abide by the anti-bullying policy

- Will seek to learn from good anti-bullying practice elsewhere and utilises support from the Local Authority and other relevant organisations when appropriate

Definition of bullying

As agreed by our whole school community

“The intentional hurting of one person by another, where the relationship involves an imbalance of power. It is usually repetitive or persistent, although some one-off attacks can have a continuing harmful effect on the victim.”

Bullying can include: name calling, taunting, mocking, making offensive comments,; kicking; hitting; taking belongings; inappropriate text messaging and electronic messaging (including through web-sites, Social Networking sites and Instant Messenger); sending offensive or degrading images by phone or via the internet; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.

Bullying can happen to anyone. This policy covers all types of bullying including:

- Race, religion or culture
- Special educational needs
- Appearance or health conditions
- Sexual orientation
- Bullying of young carers or looked after children or otherwise related to home circumstances
- Sexist or sexual bullying
- Cyber bullying

Roundwood Primary School is aware that it is possible that the bully may be an adult and will impose appropriate sanctions and if necessary follow safeguarding procedures where this is the case.

Preventing and responding to bullying

What we do to prevent bullying

We will:

- Work with staff and outside agencies to identify all forms of prejudice-driven bullying
- Actively provide systematic opportunities to develop pupils' social and emotional skills, including their resilience
- Consider all opportunities for addressing bullying including through the curriculum, through information and displays, through peer support and through the student council
- Train all staff to identify bullying and follow school policy and procedures on bullying
- Actively create "safe spaces" for vulnerable pupils

Encouragement to tell

We actively encourage anyone who is being bullied, or others who know about it, to feel that they will be listened to, and that action will be swiftly taken which is sensitive to their needs. Disclosure (telling an adult/peer) can be direct and open or indirect and anonymous. Bully/worry boxes are available for indirect/anonymous disclosure. Everyone must realise that not telling someone means that the bullying is likely to continue.
