

Dylan Edwards – Chair of Governors

I became Chair of Governors at Roundwood in September 2017 having been a Governor for our fabulous school since January 2017. As a family we moved from London to Gawcott in 2013. There were many reasons why we moved to Gawcott, but one of them was to have the opportunity for our children to enjoy a village school. I have three sons, two of whom are at Roundwood, with the third to join in a couple of years.

By day, I am a Senior Programme Manager at Network Rail and I've been working for the railways in various capacities since the day I left Liverpool University, but please don't hold that against me! I'm a proud Welshman with a sheep farm in Wales plus some stock here in Gawcott too.

Roundwood is providing our sons with a great start and being a Governor to the school allows me to give something back. My aim with my fellow Governors is for us ensure the school continues to blossom and for the children to learn, inspire & grow giving them the best opportunity in life.

Being a new Chair of Governors, I'm on a steep learning curve therefore at the moment I'm busy attending courses, meeting fellow chairs which will help understand how I drive the school forward. For those how don't know me, I'm passionate about making a difference and I hope my period as chair will be fruitful and enjoyable for everyone involved.
