

My name is Tracey Creed and I am a Learning Support Assistant at the Gawcott site of Roundwood Primary School.

I joined the school in 2011, but have been employed by Buckinghamshire County Council for 15 years. I have worked with many areas of the education sector from pre-school aged children and primary aged children, through to secondary school aged children. My role at the school is to support children, usually in Key Stage 2, and the teachers as needed.

I joined the Governing Body because I wanted to find out more about how the school runs in other areas, not just from a classroom point of view. I contribute to the Standards and Community Committee, as well as the Full Governing Body, and am both the Staff Governor and Travel Plan Governor.
